## 2018 COMPONENT AWARD

### Service Learning

#### Component Award Description

Service Learning is a valuable method of educating students. Service Learning provides multiple benefits to all stakeholders involved. Service Learning is a structured program/process that involves students and staff to reach beyond the tradition style of teaching and learning. This often extends beyond the school building, while operating under the general mission of the school district and school building. Planning, service and reflections are several key components required of effective Service Learning Programs.

#### Application Criteria

- Schools that apply must be current OMLA Institutional Members.
- A school may apply for a component award in more than one area.
- A school that has received a component award cannot be nominated for a component award in the same area for the following two years.
- Applications must be received by the posted deadline.
- Applicant provides documentation that demonstrates exemplary practices in the specific Component Award area.
- Teaming must be building-wide, not just one team in the building, for a Teaming Component Award nomination.

#### Awarding the Honor

- A committee of the Ohio Middle Level Association Executive Board members will review all applications.
- Applicants that meet the criteria on paper are notified and a site-visitation team of OMLA members and/or consultants is scheduled to verify the middle level component practice.
- Recipients will be recognized at the state conference awards reception with a plaque honoring their accomplishment.

***\*All criteria below must be addressed in the written application to be considered.***
